

LETS GET STARTED

LET'S TAKE THIS BIG STEP TO HOMEOWNERSHIP TOGETHER

Congratulations! Purchasing a home is a big step in the right direction. Thank you for choosing my team to assist you in your home search, we will be here to walk you through each step of the home buying process and we will make it our priority to make this process as stress free as possible

FIRST STEP

Lender pre-approval: One of our preferred lenders will assist you in getting pre-approved and setting a budget for your home search based on your income, credit, and debt-to-income ratio

Once you're successfully pre-approved for a mortgage with a lender, you will appear to be a stronger buyer to sellers.

When we submit an offer, I'll include a written letter of your pre-approval to show that you are a serious buyer

DOCUMENTS

W-2s from Past year

Pay stubs (1-2 months)

Tax documents from past two years

Bank statements from 1- 3 months

Copy of Drivers license

Review Buyers Guide for more details on the home buying process and a list of our preferred lenders
